ABOUT ME

I'm Rance Gabrielle G. Siroy, born on July 25, 2003 — a Computer Science student and aspiring front-end developer with a deep passion for creating meaningful and engaging digital experiences. My main languages are Python, JavaScript, HTML, CSS, Java, and React, and I'm always exploring new technologies to improve my craft and stay up-to-date in the tech world. For me, coding isn't just a skill — it's a creative outlet, a way to express ideas, and a path toward building a future where innovation meets imagination.

EDUCATION

2023-2027
Cavite State University
- Bacoor City Campus

Bachelor of Science in Computer Science
Cavite State University – Bacoor City Campus (2023–2027)
Gaining strong foundational knowledge in software development, algorithms, and database management while developing practical skills in programming, system design, and project collaboration. Engaged in hands-on activities and research focused on innovative technology solutions and real-world applications of computer science.
